

back facial

great for relaxing and wearing backless tops. after your back, shoulders and upper arms are deep cleansed and polished to a silken smoothness. tight muscles are relaxed with an aroma-therapy massage. finish with a hydration mask.
(approximately 45 min)

\$28

thermal body treatment

we use dermalogica's new customized thermal body products including a blend of 3 asian herbs that smooth your skin and wrap your body in a warm relaxing thermal masque. (bring your bikini)

\$35

add on treatments

LED light treatment

add-on to any other facial

\$20

collagen gel masque

the perfect masque for dehydrated or sensitive skin. it helps prevent pre-mature aging by re-hydrating the skin while improving the overall appearance of the skin.

\$15

eye treatment

add this wonderful eye treatment to any service and you will love the way it feels. the collagen masque will rehydrate the tender skin around the eyes.

\$10

pumpkin peel

this peel smells like pumpkin pie during the holidays. you can add it to our regular facials to remove dead skin cells.

\$8

reflexology

pressure point massage for hands and feet added to any facial.

face mapping

free

skin analysis

the answers to skin care concerns come from your own skin. through face mapping, the skin analysis divides your face into 14 individual zones, your CAofB esthetician student will help uncover the healthy skin results you've been looking for. When you know your zones, skin problems are solved.

dermalogica

peels and exfoliants

multi-vitamin power peel

this popular dermalogica treatment uses a very effective combination of alpha hydroxy acids in a unique base of vitamin a (retinol). the treatment thoroughly removes dulling surface debris while stimulating cell renewal to combat premature aging, enriched with a nourishing blend of antioxidant vitamins, soothing botanical extracts and anti-inflammatory essential lipids.

single treatment \$35
series of six (includes one free) \$175

regenerative skin exfoliant

this unique professional skin exfoliant by dermalogica gently smoothes and softens the skins texture and appearance with a combination of fruit enzymes and hydroxy acid. not as strong as the murad glycolic or multivitamin. recommended for all skin types (especially oily skin).

single treatment \$30
series of six (includes one free) \$150

murad

vitamin c infusion peel

this facial delivers the most powerful formulation of pure vitamin c directly into the skin to repair and prevent free radical damage from environmental exposure. improves the overall skin texture, elasticity and firmness of the skin. you will love the orange aroma.

single treatment \$30
series of six (includes one free) \$150

glycolic acid peel

this is the original acid peel by dr. murad. this concentrated gel formula is stronger than other peels and its best for thicker more mature skin. not recommended for sensitive skin.

single treatment \$35
series of six (includes one free) \$175

massage not included with peels

microdermabrasion

a revolutionary way to smoother more youthful appearance. with the use of the delphia machine, fine crystals are used (instead of chemicals) to refine the appearance of your skin. minimizes fine lines and wrinkles. fades age spots and pigmentation problems. minimizes the appearance of large pores and scars from acne or trauma.

single treatment \$49
six weeks series (includes one free) \$245

hydrafacial

hydrafacial™ is a new breakthrough in aesthetic technology. hydrafacial™ removes dead skin cells and impurities while simultaneously bathing the new skin with cleansing, hydrating and moisturizing skin solutions. the treatment is soothing, refreshing, non-irritating and immediately effective.

single treatment \$49
series of six (includes one free) \$245

anti-aging facial with LED light therapy

this revolutionary treatment will awaken youthful skin. we have incorporated our LED light into a glycolic facial treatment to help combat aging. This treatment will reduce fine lines, increase collagen + elastin, giving you more radiant and youthful skin.

single treatment \$45
series of six (includes one free) \$225

redness relief (rosacea) facial

if you are bothered by red patches or rosacea on your skin this treatment is for you. developed by dr. murad to specifically treat the problem skin by controlling the symptoms of sensitivity. this treatment reduces inflammation, strengthens the skin barrier function while cooling and restoring the skin's hydration.

single treatment \$35
series of six (includes one free) \$175
