high school diploma

As an accredited school, all students are required to have completed 12th grade or it's equivalent in order to enroll in our school. We will need a copy of your high school diploma, transcripts or GED certificate. High schools accreditation must be approved by the Department of Education. CAofB policy states that if any diploma or certificate is in question than the school will have to verify the legitimacy of that document. If high school training was received out of country, transcripts or a copy of the actual diploma along with an English translation will be required. Please see Administration Office if you are a Immigrant with refugee status.

english language

All of our classes are taught in English only. No other language is offered at this facility. Applicants will need to exhibit basic English skills and will be required to pass our industry admission exam prior to admittance if communication skills are lacking in our initial interview. CAofB does not offer English Language Service classes.

class size

CAofB prefers to keep class sizes smaller. We achieve this by offering more frequent start dates, closely monitoring class sizes and communication with instructors. With a low student to staff ratio, we are able to provide more personal attention to our students. We may have a waiting list during our busiest enrollment period in the fall and the after the New Year.

holidays

CAofB will be closed on the following days: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day. We will respect other religious holidays. A grace period is included in student contract towards such absences.

graduation/credentials earned

To graduate and receive your diploma and certificates for all courses at Career Academy of Beauty requires:

- *Completion of a “Request to Graduate” school form
- *Meeting minimum hours as per state/school requirements, as per contracted.
- *Completion of all minimum required theory hours and operations
- *Passing all theory exams with a minimum of 75%
- *Passing a written final exam with a minimum score of 75%
- *Passing a practical mock board final exam with outside model

An “exit appointment” will be scheduled with the administration office to finalize your paperwork to graduate and notify state board you graduated. Student Diploma and State Board papers will not be issued if their account is not paid in full or any of the above criteria is not met.

A CAofB diploma will be awarded upon graduation along with other special certificates a student may have earned while attending school. Graduating students may pamper themselves with beauty services on this special day. Friends and family may be invited for an informal procession and celebration on campus.

job placement/career counseling

CAofB provides ongoing employment referrals to our graduates for life. Salons call us regularly asking for our graduates. We provide opportunities for salon owners, stylist and other licensed professionals to come in, teach advance classes, attend our school events, be special guest judges in our competitions so they can get to know our talented students and offer advice along with recruiting our students. Career counseling is done while in classes for business training, resume designing and with personal one on one training. Counseling is done as often as necessary to check on a student’s progress and assess their personal goals.

Although our job list of prospective employers is extensive we cannot guarantee employment. Graduates are expected to make interview appointments with prospective employers. Those that are dedicated will have a high degree of success in the beauty industry. All graduates must pass the State exam and obtain a State License in order to work in a California licensed salon or spa.

externship program

We are excited to be able to offer this state approved training program to eligible senior students in our Cosmetology and Esthetician programs. The externship program allows students to attend one day a week in an actual salon or spa as a “free assistant” in place of one of their regularly scheduled school days. This program is a privilege and students can participate if they show responsibility, professionalism, and a “willing to learn” attitude and meet the states minimum hours guidelines. Being an extern is an option and we hope you take advantage of this opportunity.

School Closure: If the school closes after a student enrolls and instruction has begun, the school will provide a Pro-Rata refund on the tuition.

Non-Acceptance- If a student is not accepted for enrollment for any reason, prior to the first day of class, the student will receive a full refund of any money received.

Late Fees: Payments are due on the 1st of every month unless noted otherwise. Late fees of \$15.00 per month or 1.5% will be assessed to any payment made after the 10th of each month. Unpaid accounts are sent to an outside collection agency and CAofB will charge \$25.00 to process the collection.

Withdraw calculations are based on "Pro-Rata" refund calculation. This means the student account will be charged for how many scheduled hours you should have been in school for.

NSF Checks: Checks returned due to insufficient funds are subject to a \$25.00 fee.

Note: Academic transcripts will not be released until tuition and all charges are paid in full.

student loans

If a student obtains student loans, the student will have to repay the full amount of the loan plus interest, less the amount of any refund (if applicable). If the student withdraws but has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from the federal student financial aid program fund. (based on exact federal pro-rata refund calculation) Student must still pay back any loan balance they have after they withdraw. Students have the right to reject any student loans or financial aid that they may have applied for at anytime. If a student chooses to reject their Financial Aid they will have to make payment arrangements on their own with the school for any tuition/kit balances not paid. These balances must be paid prior to graduating.

The “weeks or months” of time posted are an estimate based on actual attendance plus 10% absence period of time you can miss.

You can graduate 10% faster if you have perfect attendance. A great Goal!

Teacher Training schedules can be full or part-time or vary with prior approval.

leave of absence policy

Students may request an extended period of time off school for emergency reasons only, reasons such as medical, hospitalization, death in the family or childcare problems. Leaves must be a minimum of one week up and must be requested in writing and approved prior to starting time off. Student may request two leaves during enrollment and both leaves cannot exceed 180 calendar days. Documentation may be required. Students will return from a leave with grades and progress status at time of leaving; however, student must make up missed exams and classes. Contract dates will be extended for time missed during approved leave. Federal student loans will not be disbursed while student is on leave of absence. Students failing to return to school on scheduled return date will be automatically terminated on that date (if you are withdrawn, student loan grace period will revert to the last day of attendance).

satisfactory academic progress policy

It is required that all students maintain Satisfactory Academic and Attendance (SAP) regardless of enrollment status or financial aid programs student is receiving. Students must meet both the minimum attendance and academic grade requirements to be considered as, "making 'Satisfactory Progress."

ATTENDANCE

ALL STUDENTS ARE EXPECTED TO HAVE 90% ATTENDANCE EVERY MONTH.

That means not missing more than 10% of your time or about 2 absences a month.

FULL-TIME 40 HOURS=160 hours a month - You should attend no less than 144 hours

PART-TIME 30 HOURS=120 hours a month - You should attend no less than 108 hours

PART-TIME 20 HOURS= 80 hours a month - You should attend no less than 72 hours

PART ONE-SATISFACTORY ATTENDANCE:

Although we would like to see students keep their attendance at 90% this may not always be possible. You must attend a minimum 75% of your scheduled class time according to your contract (enrollment agreement) to remain eligible for Financial Aid programs and to be considered to be making satisfactory progress. This is way below the recommended 90% attendance but will still allow you to keep receiving Federal Financial Aid. If your absences are affecting our ability to teach you the required curriculum than counseling may determine that your continued attendance is not in the best interest of CAofB and you may be terminated. If you do miss more than your 10% of the time you will be charged additional tuition (overage)

SCHEDULE HOURS

(per month)

Full-Time 160 hours

Part-Time 120 hours

Part-Time 80 hours

MINIMUM 75% ATTENDANCE

Must have

120 Hours a month minimum

90 Hours a month minimum

60 Hours a month minimum

PART TWO - ACADEMICS-

The student must maintain a minimum 'C' average grade of 75% in order to be maintaining Satisfactory Academic Progress. This grade is an accumulated average of all practical and written test scores up to date of the scheduled evaluation. Grade Scale is as follows;

A- Excellent ---Theory and Practical grades averaged --95-100%

B- Good -----Theory and Practical grades averaged --86- 94%

C- Average ----Theory and Practical grades averaged --75- 85%

F- Failing- -----Theory and Practical grades averaged --Below 75% (Unsatisfactory Progress)

SAP EVALUATIONS: Student’s academic and attendance is monitored to assure the student is maintaining Satisfactory Progress. All students will be evaluated to make sure that minimum grades and attendance is being met based on payment periods. Results are posted on your grade sheets and available for review anytime. You will be evaluated when you are scheduled to reach the following hours.

	1st period	2nd period	3rd Period
	<u>Hours</u>	<u>Hours</u>	<u>Hours</u>
Cosmetology	450	900	1250
Esthetician	300	600	
Manicuring	200	400	
Teacher Training	300	600	

Students that meet the minimum requirements for SAP are considered to be making Satisfactory Progress until next evaluation period. Evaluation results are available for review at anytime. A copy of the results will be provided to the student.

WARNING PERIOD: Students who fail to meet SAP standards (due to either lack of attendance and/or low grades) during a given period will be placed on a ‘SAP warning status’ until the next following evaluation period. Financial Aid students will still remain eligible to receive financial aid during the warning period but must improve their attendance and/or grades during this period in order to keep future financial aid eligibility.

LOSS OF FINANCIAL AID: Students who do not improve to minimum SAP standards of both grades and attendance during the warning period will lose eligibility for Title IV, HEA program funds (grants & loans) for next payment period. If the student is allowed to continue school, the student is responsible for paying the unpaid portion of tuition and fees and any expected tuition overage of contract fees. If payment arrangements cannot be met then the student will be withdrawn.

REINSTATEMENT OF AID: A student that has lost eligibility during one period may regain eligibility for the next payment period if student shows they have met the minimum SAP standard.

Financial aid eligibility for funds will be reinstated to the student.

Absences during Sassoon Training- Cosmetology students are discouraged from missing time during the Sassoon cutting classes due to the curriculum that is built on each daily lesson. Students that miss more than 3 days of the training may be held back or put on an academic Leave of Absence until the cutting segment is taught again in the classroom.

Non-Credit Training: Students taking non-credit hours such as ‘brush up’ ‘advanced training’ or taking do not fall under the SAP policy or have a contract date.

Leave of Absence: Students taking a leave of absence will have their contract end date and maximum timeframe extended for the exact amount of days on the LOA. Students returning from an authorized leave of absence will be returned to the academic progress status the held prior to the start of the leave of absence. Refer to the Leave of Absence Policy in the Handbook.

Maximum Time Frame for Completion: Students must complete their course within a maximum time frame of 133 % of scheduled program length of the course as stated in the contract (enrollment agreement).

Transfer hours- That have been accepted are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at CAofB.

Withdraws- SAP no longer applies to course incompletions. Students re-enrolling within 6 months will be placed back on same SAP status.

Reentry: Student re-enrollment is under the discretion of the Academy. CAofB will consider accepting prior hours depending on how long a student has been out of school. Partial credit may be given if hours are over a year old.

Burglary vs. Larceny: An incident must meet three conditions to be classified as a burglary. 1. There must be evidence of unlawful entry (trespass). Both forcible entry and unlawful entry- no force are counted. 2. The unlawful entry must occur within a structure, which is defined as having four walls, a roof, and a door. 3.
