## dermalogica

### peels and exfoliants

#### multi-vitamin power peel

this popular dermalogica treatment uses a very effective combination of alpha hydroxy acids in a unique base of vitamin a (retinol). the treatment thoroughly removes dulling surface debris while stimulating cell renewal to combat premature aging, enriched with a nourishing blend of antioxidant vitamins, soothing botanical extracts and anti-inflammatory essential lipids.

single treatment \$35  
series of six (includes one free) \$175

#### regenerative skin exfoliant

this unique professional skin exfoliant by dermalogica gently smoothes and softens the skins texture and appearance with a combination of fruit enzymes and hydroxy acid. not as strong as the murad glycolic or multivitamin. recommended for all skin types (especially oily skin).

single treatment \$30  
series of six (includes one free) \$150

## murad

#### vitamin c infusion peel

this facial delivers the most powerful formulation of pure vitamin c directly into the skin to repair and prevent free radical damage from environmental exposure. improves the overall skin texture, elasticity and firmness of the skin. you will love the orange aroma.

single treatment \$30  
series of six (includes one free) \$150

#### glycolic acid peel

this is the original acid peel by dr. murad. this concentrated gel formula is stronger than other peels and its best for thicker more mature skin. not recommended for sensitive skin.

single treatment \$35  
series of six (includes one free) \$175

*massage not included with peels*

## microdermabrasion

a revolutionary way to smoother more youthful appearance. with the use of the delphia machine, fine crystals are used (instead of chemicals) to refine the appearance of your skin. minimizes fine lines and wrinkles. fades age spots and pigmentation problems. minimizes the appearance of large pores and scars from acne or trauma.

single treatment \$49  
six weeks series (includes one free) \$245

#### hydrafacial

hydrafacial™ is a new breakthrough in aesthetic technology. hydrafacial™ removes dead skin cells and impurities while simultaneously bathing the new skin with cleansing, hydrating and moisturizing skin solutions. the treatment is soothing, refreshing, non-irritating and immediately effective.

single treatment \$49  
series of six (includes one free) \$245

#### anti-aging facial with LED light therapy

this revolutionary treatment will awaken youthful skin. we have incorporated our LED light into a glycolic facial treatment to help combat aging. This treatment will reduce fine lines, increase collagen + elastin, giving you more radiant and youthful skin.

single treatment \$45  
series of six (includes one free) \$225

#### redness relief (rosacea) facial

if you are bothered by red patches or rosacea on your skin this treatment is for you. developed by dr. murad to specifically treat the problem skin by controlling the symptoms of sensitivity. this treatment reduces inflammation, strengthens the skin barrier function while cooling and restoring the skin's hydration.
