BARBERING AND COSMO BARBER- Classes will start in 2019 pending approval.

As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to come in for a tour of our campus and review the School Performance Fact Sheet, which must be provided to you prior to signing the enrollment agreement.

high school diploma

As an accredited school, all students are required to have completed 12th grade or it's equivalent in order to enroll in our school. We will need a copy of your high school diploma, transcript showing High School completion or GED certificate. High schools accreditation must be approved by the Department of Education. CAofB policy states that if any diploma or certificate is in question than the school will have to verify the legitimacy of that document. If high school training was received out of country, transcripts or a copy of the actual diploma along with an English translation & evaluation will be required. Please see Administration Office if you are an Immigrant with refuge status.

english language

All of our classes are taught in English only. Applicants will need to exhibit basic English skills in order to be able to communicate with the Instructor. Being able to read English is important due to the theory portion of the course and required test by the State Board. Being great at writing is not that important. The admission dept may have you take a comprehension exam prior to admittance if communication skills are lacking in our initial interview. CAofB does not offer English Language Service classes.

class size

CAofB prefers to keep class sizes smaller. We achieve this by offering more frequent start dates, closely monitoring class sizes and communication with instructors. With a low student to staff ratio, we are able to provide more personal attention to our students. We may have a waiting list during our busiest enrollment period in the fall and the after the New Year.

holidays

CAofB will be closed on the following days: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day. We will respect other religious holidays. A grace period is included in student contract towards such absences.

graduation/credentials earned

To graduate and receive your diploma and certificates for all courses at Career Academy of Beauty requires:

1. Completion of a "Request to Graduate" school form
2. Meeting minimum hours as per state/school requirements, as per contracted.
3. Completion of all minimum required theory hours and operations
4. Passing all theory exams with a minimum of 75% and a written final exam with minimum score of 75%.
5. Passing a practical mock board final exam
6. Payment of all fees and charges due, including any incurred overtime charges.

An "exit appointment" will be scheduled with the administration office to finalize your paperwork to graduate and notify state board you graduated. Student Diploma and State Board papers will not be issued if their account is not paid in full or any of the above criteria is not met.

A CAofB diploma will be awarded upon graduation along with other special certificates a student may have earned while attending school. Graduating students may pamper themselves with beauty services on this special day at Personal Service Prices. Friends and family may be invited for an informal procession and celebration on campus.

job placement/career counseling

CAofB provides ongoing employment referrals to our graduates for life. Salons call us regularly asking for our graduates. We provide opportunities for salon owners, stylist and other licensed professionals to come in, teach advance classes, attend our school events, be special guest judges in our competitions so they can get to know our talented students and offer advice along with recruiting our students. Career counseling is done while in classes for business training, resume designing and with personal one on one training. Counseling is done as often as necessary to check on a student's progress and assess their personal goals.

Although our job list of prospective employers is extensive we cannot guarantee employment. Graduates are expected to make interview appointments with prospective employers. Those that are dedicated will have a high degree of success in the beauty industry. All graduates must pass the State exam and obtain a State License and meet the employers requirements in order to be hired and work in a California licensed salon or spa.

externship program

We are excited to be able to offer this state approved training program to eligible senior students in our Cosmetology and Esthetician programs. The externship program allows students to attend one day a week in an actual salon or spa as a "free assistant" in place of one of their regularly scheduled school days. This program is a privilege and students can participate if they show responsibility, professionalism, and a "willing to learn" attitude and meet the states minimum hours guidelines. Being an extern is an option and we hope you take advantage of this opportunity.

This will incur overtime charges (\$100-\$900 on average) in addition to the above standard school prices. Students with good attendance never incur additional charges.

refund policy

Student's Right To Cancel: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (**first day of classes**), or the seventh day after enrollment (**seven days from date when enrollment agreement was signed**), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office, a withdrawal may be initiated by the student's written notice or by the student's academics or conduct, including but not necessarily limited to a student's lack of attendance.

Refund Policy: After the cancellation period, the institution provides a pro rata refund (based on scheduled hours) of all funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more then 60 percent of the enrollment period in the entire course has elapsed (**including absences**), there will be no refund to the student. If the student has received federal student aid funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds.

An Enrollment fee of **\$125.00 is a non-refundable item**. Equipment, books, supplies, tools, uniforms, kits and any other items **issued and received by the student** would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for the enrollment fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal. See Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

Determination of withdrawal from school: The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

1. The date you notify the **Financial Aid Office in writing** of your intent to withdraw (by Postmark date or when delivered in person). Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
2. The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the Catalog.
3. The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
4. The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the earlier of the date the student notifies the institution he/she will not be returning from the leave of absence or the scheduled date of the return from the leave of absence.

Unofficial withdraws for clock hour students are determined by the school through monitoring clocked hour attendance at least every 30 days

Return of Title IV: Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants or other aid, if you withdraw from school prior to the completion of the equivalent to **60 percent** of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance to the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received.

Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment.

Refunds: If any refunds are due based on the Return of Title IV calculation **or** based on the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is, 1 Unsubsidized Loans from FFELP or Direct Loan, 2 Subsidized Loans from FFELP or Direct Loan, 3 Perkins Loans, 4 PLUS (Graduate Students) FFELP or Direct Loan, 5 PLUS (Parent) FFELP or Direct Loan, 6 Pell Grant, 7 Academic Competitiveness Grant (ACG), 8 National SMART Grant, 9 Federal SEOG, 10. Note: Academic transcripts will not be released until tuition and all charges are paid in full.

Course Cancellation: If a course is canceled or the school closes subsequent to a student's enrollment and before instruction in the course has begun, the school shall at its option: 1. Student Tuition Recovery Fund (STRF):

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

student loans

CAofB offers Direct Federal student loans from the government to all students that qualify for them. If a student obtains student loans, the student will have to repay the full amount of the loan plus interest, less the amount of any refund (if applicable). If the student withdraws but has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from the federal student financial aid program fund. (based on exact federal pro-rata refund calculation) Student must still pay back any loan balance they have after they withdraw. Students have the right to reject any student loans or financial aid that they may have applied for at anytime. If a student chooses to reject their Financial Aid they will have to make payment arrangements on their own with the school for any tuition/kit balances not paid. These balances must be paid prior to graduating.

attendance policy

Student time: Students will have their hours recorded by clocking in daily with electronic scanning. All students must clock in and out for the day including lunch breaks. Students will receive credit for any task, operations, services, test and projects completed after each action is verified by the instructor. Student must apply effort while in school.

Absences:

10% grace period has been added to student contract for any absences or tardiness. Absences must be called in daily to the Front Desk. One week without contacting the Academy will be subject to withdraw. If a student is absent more than their allowed 10% of time they will be charged "overage" Make-up time may be granted but must be approved by administration/Financial aid office based as long as it does not go over max hours for the week and does not affect Title IV fund disbursements. It is best to make up time in the same month.

Student will be automatically withdrawn on 14th day of absence if an approved leave of absence is not on file. Any missed course work or tests must be made up during regular school hours according to Instructor syllabus.

Cosmetology students that miss more than 3 Sassoon haircutting days may need to stay in the freshman room until the classes can be re taught.

Tardiness: All tardiness will be closely monitored; Morning student's theory begins promptly at 8:30am. You are expected to be here on time. Our doors open at 8:00am so arrive early. Students later than 8:37am cannot clock in until the following day.

If a student needs to leave early they must get permission from their instructor. Clocked hours lost due to leaving early will be counted toward 10% of allowed absences.

Grace Period

There is an automatic 10% grace period built into student contract to allow for absences or missed hours no matter the reason. The grace period gives the student adequate time to complete school. This total time is considered "normal time" to graduate.

Tuition Overage/Extra Institutional charges: Students that miss more than 10% of their enrollment time and have not graduated by their final "contract date" on the enrollment agreement will be charged at an hourly rate for each hour they still need to graduate after the contract date. Please refer to the CAofB Tuition & Fee schedule for current hourly rate. CAofB encourages all students to maintain better than 90% attendance and never go over their contract date. Make up hours can be arranged with permission from the Admin/Financial aid office providing the hours do not go over our max schedule and will not affect Title IV aid disbursements. Title IV Federal Financial Aid cannot be used to pay for overage charges. All charges must be paid 2 weeks prior to graduating. Adjustments to the contract date can only be made with a schedule change or approved Leave of Absence (see LOA policy).

leave of absence policy (LOA)

Students may request an extended period of time off of school from the Administration/ Financial Aid officials only for emergencies or issues such as (but not limited to) illness, family medical, death in the family, childcare, work related issues, court, Any other emergency will need the Directors approval. Documentation may be required. A student cannot take a leave of absence for vacation. The student must follow the institution's policy in requesting a LOA. There are no additional institutional charges as a result of a LOA.

The school must have a reasonable expectation that the student will return from the Leave of Absence.

1. A request for a Leave of Absence must be must be applied for in writing in advance of starting the LOA and include the student's reason for the request and include the student's signature.
2. If for unforeseen circumstances or an accident happens that prevents a student from being able to fill out the LOA paperwork prior to taking a LOA than CAofB may grant approval if the student emails or calls and talks to the office directly. The school official will start the paperwork and document the reason for the LOA and the school's decision. The beginning date of the LOA determined by CAofB to be the first date the student was unable to attend the institute due to the emergency. If approved, the school will collect the student signed request at a later date request when they return.
3. Minimum of one week long (school week as per the students schedule)
4. 2 leave of absences during the students enrollment may be approved by the Financial Aid officer or administrator if the student is not receiving Title IV funds.
5. A third or more Leave of Absence may be approved by the Director only and will need additional documentation.
6. All Leave of Absences combined may not exceed 180 calendar days in a twelve-month period.
7. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at the time. The student will not accrue absences while on a LOA and will have their contract date extended by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by the student and the school official.
8. A student will not be withdrawn while on an approved LOA.
9. Student's will return from a LOA with the same grades and progress status at the time of leaving.
10. Title IV student loans will not be dispersed while a student is on a LOA.
11. Students failing to return to school on the scheduled return date will be automatically terminated on that date. The withdraw date for the purpose of calculating a refund is always the last day of attendance. Student loan grace periods will revert to the last day of attendance.

satisfactory academic progress policy (SAP)

This policy is printed in the school catalog to ensure that all students receive a copy prior to enrolling. It is required that all students maintain Satisfactory Academic and Attendance (SAP) regardless of enrollment status or financial aid programs the student is receiving.

Quantitative (Attendance) and Qualitative (academic performance) are evaluated on a cumulative basis at the designated evaluation periods throughout the course or program of study. Students must meet both the minimum attendance and academic grade requirements to be considered as, "making 'Satisfactory Progress.'

PART ONE-ATTENDANCE

ALL STUDENTS ARE EXPECTED TO HAVE 90% ATTENDANCE EVERY MONTH. THAT MEANS NOT MISSING MORE THAN 10% OF YOUR TIME OR NO MORE THAN 2 ABSENCES A MONTH

SATISFACTORY ATTENDANCE:

Although we would like to see students keep their attendance at 90% this may not always be possible. You must attend a minimum 75% of your scheduled class time according to your contract (enrollment agreement) to remain eligible for Financial Aid programs and to be considered to be making Satisfactory Progress. This is way below the recommended 90% attendance but will still allow you to stay enrolled and keep receiving Federal Financial Aid. You will just be charged for additional tuition for all absences over 10%. Please understand that your contract date and meeting SAAP are two different criteria. A student can be maintaining SAP and still graduate beyond their contract date; thus, owing additional tuition to the Career Academy of Beauty.

Example:

SCHEDULE HOURS (per month)	MINIMUM 75% ATTENDANCE Must have
Full-Time 160 hours	120 Hours a month minimum
Part-Time 120 hours	90 Hours a month minimum
Part-Time 80 hours	60 Hours a month minimum

Attendance evaluations are performed on a cumulative basis based on contracted schedule.

PART TWO - ACADEMICS

The student must maintain a minimum 'C' average grade of 75% in order to be maintaining Satisfactory Academic Progress. This grade is an accumulated average of all practical and written test scores up to date of the scheduled evaluation. Grade Scale is as follows;

- A- Excellent ---Theory and Practical grades averaged --95-100%**
- B- Good -----Theory and Practical grades averaged --86- 94%**
- C- Average ---- Theory and Practical grades averaged --75- 85%**
- F- Failing- -----Theory and Practical grades averaged -- 0- 74% (Unsatisfactory Progress)**

SAP EVALUATIONS: Student's academic and attendance is monitored to assure the student is maintaining Satisfactory Progress. All students will be evaluated to make sure that minimum grades and attendance is being met based on Government payment periods. You will be evaluated when you are scheduled to reach the following hours,

	<u>1st period</u>	<u>2nd period</u>	<u>3rd Period</u>
	Hours	Hours	Hours
Cosmetology	450	900	1250
Esthetician	300	600	
Manicuring	200	400	
Teacher Training	300	600	
Barbering	450	900	1200
Cosmo Barber	450	900	1350

Students that meet the minimum requirements for SAP are considered to be making Satisfactory Progress until the next evaluation period. Evaluation results are available for review at anytime. A copy of the results will be provided to the student.

WARNING PERIOD: Students who fail to meet SAP standards (due to either lack of attendance and/or low grades) during a given period will be placed on a ‘SAP WARNING status’ and considered to be making satisfactory progress while during the warning period. Financial Aid students will still remain eligible to receive financial aid during the warning period but must improve their attendance and/or grades during this period. If at the end of the WARNING period, the student has still not met both the attendance and academic requirements, he/she will be placed on Unsatisfactory Progress and will be deemed ineligible to receive Title IV funds.

UNSATISFACTORY PROGRESS: Students who do not improve to minimum SAP standards of both grades and attendance during the warning period will be placed on Unsatisfactory Progress and will lose eligibility for Title IV, HEA program funds (grants & loans) for next payment period. If the student is allowed to continue school, the student is responsible for paying the unpaid portion of tuition and fees and any expected tuition overage of contract fees. If payment arrangements cannot be met then the student will be withdrawn.

REINSTATEMENT OF AID: Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or Unsatisfactory Progress period.

Non-Credit, Remedial courses, Repetitions-Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school’s satisfactory academic progress standards.

Interruptions, course incompletes, withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student’s cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Maximum Time Frame for Completion: The Maximum time (which does not exceed 133% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below

COURSE	MAXIMUM TIME ALLOWED			MAX SCHEDULED HOURS
	20 hours/week	30 hours/week	40 hours/week	
COSMETOLOGY 1600 hours	106 wks max	71 wks max	53 ¼ wks max	2128
ESTHETICIAN 600 hours				
Teacher Training 600 hours	40 wks max	26 ½ wks max	20 weeks max	798
MANICURING 400 hours	26 ½ wks max	17 ½ wks max	13 ½ wks max	532
BARBERING 1500 hours	99 ¾ wks max	66 ½ wks max	50 wks max	1995
COSMO BARBER 1800 hours	119 wks max	80 wks max	60 wks max	2394

Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

Transfer hours: That have been accepted are counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at CAofB.

Reentry: Students re-enrollment is under the discretion of the Director of CAofB. CAofB will consider accepting prior hours depending on how long a student has been out of school. Partial credit may be given if hours are older than one year old.

california state board information

Pre-Application for Licensing: We provide pre-application services that allow students to send out applications for exams before finishing their coursework requirements. Typically, test dates will be within three weeks of graduation. Pre-application is offered to students with good attendance and grades. Pre-application is optional, as there is a slight additional fee, but it is encouraged in order to avoid long delays waiting for an exam date following graduation. If you transfer courses or transfer from another state you cannot Pre-Apply.

California Licensing Requirements:

Our courses are designed to prepare you for working positions, which require licensing, by the State of California. The California State Consumer Affairs Department's Board of Barbering and Cosmetology requires that applicants be at least 17 years old at time of examination application and have a valid social security number. Certain prior felony or misdemeanor convictions are subject to delay and/or denial of licensing. Contact the Administration Office confidentially for more information.

State Board Licensing Exam & facility:

Upon graduation, students will be required to take a board state exam in Glendale, Ca, in order to receive a license to work professionally in the state of California. Each applicant will be required to take and pass a practical exam and a multiple choice written exam. Each student is responsible for the State Board application fees and test kit fees. Upon successfully passing both the written and practical exam, a license will be issued on that day. Cosmo Barber students will need to take both the Cosmetology state exam and the Barbering state exam and pay both the required fees to have a dual license.

withdraw policy

Student may withdraw at anytime. We request a withdrawal in writing stating current address, phone, reason why student is leaving and signature with a date. The date of this letter will be determined as the determination date. The last date of attendance will be the last date of physical attendance student received any clock hours. Student must clear out lockers or stations immediately. A Refund Calculation will be performed and student will receive a copy by mail no later than 45 days from receiving withdrawal notification. Any refunds are required to be paid within 45 days according to Federal and State Law. If the refund calculation determines the student owes a balance at time of withdraw, an invoice will be sent requiring immediate payment. Transcripts will be held until remaining tuition balances are paid. Please refer to your enrollment agreement (contract) for all refund policies.

probation/dismissal policy

CAofB has specific attendance, grade, and rules and regulations that must be followed. Students can be terminated for failing to follow the school regulations and expectations. CAofB reserves the right to dismiss students that are not representing CAofB in a professional manner and/or fail to promote a professional, positive education environment and behavior in classrooms. Probations can be issued for all of the above if we feel the student has the ability to improve and succeed in the Beauty Industry. If the student fails to come off probation or is terminated, standard refund calculations will be performed based on school determination date of dismissal. Please refer to Withdraw Policy, Satisfactory Progress Policy, Student Handbook and withdraw policy as stated above.

record retention

This institution shall maintain all records, transcript, academic and financial aid records of students for five years after last date of attendance. After 5 years we will only have a transcript of hours available. To request transcripts: complete a request form with required fee and submit to the school directly. Students must have a zero balance on their account (no money owed) to receive transcripts.

counseling

Personal assistance is available to all students. Each student is assigned a member of the faculty who shall serve as the student's advisor. 12. Campus Sexual Assault Victims' bill of rights The United States Congress enacted the "Campus Sexual Assault Victims Rights" in 1992 as a part of the Higher Education Amendments of 1992. This law requires afford sexual assault victims certain basic rights such as:

- *Accuser and the accused must have the same opportunity to have others present.
- *Both parties shall be informed of their options to notify law enforcement
- *Survivors shall be informed of their options to notify law enforcement
- *Survivors shall be notified of counseling services
- *Both the accuser and the accused have the right to be advised of the outcome of any institutional disciplinary proceedings brought alleging a sex offense or other crime. This will disclose the alleged victim of the crime. The school will notify you, but you may also make a request in writing to Cari Eisele in Administration. If the victim is deceased then the next of kin shall be treated as the victim if they choose.

13. Bystander intervention includes recognizing situations of potential harm, recognize if a crime is being committed, If safe you can approach and help the victim, take action and intervene, if the situation is unsafe call the police or 911 and enlist the help of others around you.

14. Risk reduction is provided so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks. Risk reduction means options designed to decrease perpetration and bystander inaction, and to increase empowerment for survivors in order to promote safety and to help individuals and communities address conditions that facilitate violence. CAofB continues to monitor the facility and parking area to assure that lighting and space is free of any threats or potential unsafe areas.

Timely Warnings:

A timely warning will be issued by the Director on a case by case basis when a situation arises that in the judgment of the Director constitutes an ongoing or continuing threat to our campus community. The warning will be issued in the following manner.

- * By push notifications through Text directly to students and staff.
- * By e-mail to students and staff through their email account.

A timely warning will include the reported offense, the location of the reported offense, the date of the reported offense if known, a description of suspects if available, and any other information that would promote safety.

Responding to Sexual Violence, Stalking, or Dating or Domestic Violence

CAofB strongly encourages individuals to report incidents of sexual misconduct to the Title IX Coordinator. All CAofB employees are obligated to report sexual misconduct of which they become aware to a Title IX Coordinator, unless

they have a recognized confidentiality privilege. Whether or not a survivor decides to report an incident to the police, the survivor is encouraged to immediately seek medical treatment and access counseling resources. CAofB has procedures in place that are sensitive to those who report sexual assault, domestic violence, dating violence, and stalking, which include informing individuals about their right to file criminal charges as well as written information on the availability of medical, counseling and support services (victim advocacy, legal assistance, visa and immigration assistance, etc.), and additional remedies to prevent contact between a complainant and an accused party, such as, academic, and working accommodations, if reasonably available.

Medical Attention

It is important to seek immediate and follow-up medical attention to assess and treat any physical injuries, determine the risk of sexually transmitted diseases or pregnancy, and gather evidence that could aid criminal prosecution. Even if a survivor has not been physically hurt, the medical examination (associated with reported sexual violence) is strongly recommended to maintain all legal options. After the evidence is collected, it can be stored in case criminal charges are pressed at some later date.

It is important that a survivor of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen area where they were assaulted if the offense occurred within the past 96 hours so that evidence, as may be necessary to the proof of criminal activity, may be preserved. In circumstances of sexual assault, if survivors do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease. Survivors of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to CAofB investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a survivor chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with law enforcement to preserve evidence in the event that the survivor changes her/his mind at a later date.

Reporting Incidents to CAofB

CAofB strongly encourages individuals to report incidents of sexual misconduct to the Title IX Coordinator, Cari Eisele. An incident report will be filled out and the coordinator can offer counseling and facilitate support resources.

Notifying the police

The survivor has the right to choose whether to file a police report. Notifying the Police is a separate and distinct process from notifying the school and Title IX coordinator. The Police can assist in reviewing options and identifying and facilitating support resources that include: medical attention; legal procedures (including no contact or restraining orders). Timely reporting to the police is an important factor in successful investigation and prosecution of sexual violence cases. .

Reporting sexual violence to the police will assist in gaining information that may lead to the arrest of an offender or aid in the investigation of other incidents. The investigation and prosecution, or discipline, of the offender may help prevent future incidents. Reporting the incident does not mean a sexual violence survivor is obligated to take the offender to court (i.e., prosecute). In addition to, or instead of, possible criminal prosecution, a survivor may also choose to pursue a complaint through applicable CAofB procedures. Although CAofB strongly encourages all members of its community to report violations of this policy to law enforcement, it is the survivor's choice whether or not to make such a report and survivors have the right to decline involvement with the police.

CAofB Procedures for Investigating and Resolving a Complaint

The procedures set forth below are intended to afford a prompt response to charges of sexual assault, domestic or dating violence, and stalking, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of this policy. Please report domestic violence, dating violence, sexual assault, or stalking promptly to the Title IX Coordinator, Cari Eisele-12471 Valley View St, Garden Grove, Ca, 92845 (714) 897-3010 x106

The trained Title IX coordinator handles investigation and resolution of complaints against students or staff under this policy. Consultation with the appropriate offices will investigate and work to resolve the matter.

Whether or not criminal charges are filed, the school or a person may file a complaint under the Policy on Sexual

Misconduct, Stalking, and Dating and Domestic Violence. Reports of all domestic violence, dating violence, sexual assault and stalking made to CAofB will automatically be reported to the Title IX Coordinator regardless of whether the complainant chooses to pursue criminal charges.

CAofB disciplinary process will include a prompt, fair, and impartial investigation and resolution by the Title IX coordinator and the board of directors. All parties involved along with witnesses will be interviewed. Procedures in cases of alleged domestic violence, dating violence, sexual assault, and stalking provide that:

1. The accuser and the accused individual each have the opportunity to make statements to the Title IX coordinator their account of the incident.
2. The accuser and the accused individual each have the opportunity to be accompanied by an advisor of their choice at any stage of the process and to be accompanied by that advisor at any meeting. An advisor may only consult and advise his or her advisee, but not speak for the advisee at any meeting.
3. A decision is based on the preponderance of evidence standard, i.e. "more likely than not to have occurred" standard. In other words, the conduct process asks: "is it more likely than not that the accused individual violated CAofB policy?"
4. The accuser and the accused will be notified simultaneously in writing within 30 days of the outcome of any disciplinary proceeding, as well as any changes to those results or disciplinary actions prior to the time that such results become final and they will also be made aware when such results become final. Disciplinary action could be a change of schedule, suspension or termination from school.

Confidentiality

CAofB will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the best of its ability. All reports and information concerning conduct that is inconsistent with this policy will be handled discreetly, with facts made available to those who need to know to respond, investigate, and/or resolve the matter.

When a complainant does not consent to the disclosure of his or her name or other identifiable information of the alleged perpetrator, CAofB's ability to respond to the complaint may be limited. In cases when a complainant requests anonymity or does not wish to proceed with an investigation, the Title IX Coordinator will determine whether CAofB has an obligation to proceed with the investigation against the complainant's wishes based on concern for the safety or well-being of all the students and staff at CAofB. Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant (for example, publicly available record-keeping for purposes of Clery Act reporting and disclosures will be made without inclusion of identifying information about the victim, as defined in 42 USC 1395 (a) (20).) Further, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures. CAofB does not publish the name of crime victims.

Protective Measures and Sanctions

Regardless of whether a survivor chooses to report a crime to CAofB or local law enforcement, the Title IX Coordinator, will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: an order of no contact, safe-space zones, adjustment of course schedules, a leave of absence. These remedies may be applied to one, both, or multiple parties involved. Violations of these directives and/or protective measures will constitute violations that may lead to disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by CAofB.

Written notice of these accommodations will be issued.

In all cases, investigations that result in a finding that, more likely than not, a violation of the Policy on Sexual Misconduct, Stalking, and Dating and Domestic Violence occurred will lead to the initiation of disciplinary procedures against the accused individual.

Disciplinary sanctions that may be imposed for violations of the Policy on Sexual Misconduct, Stalking, and Dating and Domestic Violence include, but are not limited to written warnings, loss of privileges, mandatory training or counseling, probation, suspension, expulsion, for a staff member or student. And, termination of employment of a staff member. Sexual assault, domestic violence, dating violence, and stalking are criminal acts, which also may subject the perpetrator to criminal and civil penalties under federal and state law.

Students and employees should refer to the following person or agency when reporting or seeking help on a criminal incidents. Please note that any emergency that requires immediate attention should not wait to report to the school's officer but rather should contact the appropriate agency by calling (911).
