high school diploma

As an accredited school, all students are required to have completed 12th grade or its equivalent in order to enroll in our school. We will need a copy of your high school diploma, transcript showing High School completion or GED certificate. High school's accreditation must be approved by the Department of Education. CAofB policy states that if any diploma or certificate is in question than the school will have to verify the legitimacy of that document. If high school training was received out of country, transcripts or a copy of the actual diploma along with an English translation & evaluation will be required. Please see Administration Office if you are an Immigrant with refugee status.

english language

All of our classes are taught in English only. Applicants will need to exhibit basic English skills in order to be able to communicate with the instructor. Being able to read English is important due to the theory portion of the course and required test by the State Board. Being great at writing is not that important. The admission dept may have you take a CAofB comprehension exam prior to admittance if communication skills are lacking in our initial interview. CAofB does not offer English Language Service classes.

class size

CAofB prefers to keep class sizes smaller. We achieve this by offering more frequent start dates, closely monitoring class sizes and communication with instructors. With a student to staff ratio, we are able to provide more personal attention to our students. We may have a waiting list during our busiest enrollment period in the fall and the after the New Year.

holidays

CAofB will be closed on the following days: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day. These days are excused and will not count as an absence. CAofB will respect any other religious Holiday and a student can use their 10% grace period to miss school.

graduation/credentials earned

To graduate and receive your diploma and certificates for all courses at Career Academy of Beauty requires:

1. Completion of a “Request to Graduate” school form
2. Meeting minimum hours as per state/school requirements, as per contracted.
3. Completion of all minimum required theory hours and operations
4. Passing all theory exams with a minimum of 75% and a written final exam with minimum score of 75%.
5. Passing a practical final exam
6. Payment of all fees and charges due, including any incurred overtime charges.

An “exit appointment” will be scheduled with the administration office to finalize your paperwork to graduate, verify all educational requirements have been completed and sign final documents. Student Diploma and State Board papers will not be issued if their account is not paid in full or any of the above criteria is not met.

A CAofB diploma will be awarded upon graduation along with other special certificates a student may have earned while attending school. Graduating students may pamper themselves with beauty services on this special day at Personal Service Prices. Friends and family may be invited for an informal procession and celebration on campus.

job placement/career counseling

CAofB provides ongoing employment referrals to our graduates. Salons may call us asking for our graduates. We provide opportunities for salon owners, stylist and other licensed professionals to come in to teach advance classes and attend our school events to see our talented students and offer advice about the beauty industry. Career counseling classes are offered for career training, resume designing and with employment assistance information. Counseling is done to check the student’s progress and assess their personal goals.

Although we can counsel you and offer assistance with job placement, we cannot guarantee employment. Graduates are expected to make interview appointments with prospective employers, send out resumes and make interview appointments and any other necessary requirements in order to get hired in the industry. Those that are dedicated will have a high degree of success in the beauty industry. All graduates must pass the State exam and obtain a State License and meet the employer’s requirements in order to be hired and work in a California licensed salon or spa.

externship program

We are excited to be able to offer this state approved training program to eligible senior students in our Cosmetology, Barbering, Cosmo/Barber and Esthetician programs. The externship program allows students to attend one day a week in an actual salon or spa (off campus) as a “free assistant” in place of one of their regularly scheduled school days. This program is a privilege and students can participate if they show responsibility, 85% attendance, professionalism, and a “willing to learn” attitude and meet the states minimum hours guidelines. Based on salon availability. Being an extern is an option and we hope you take advantage of this opportunity. (Veteran students receiving Veterans funds cannot participate in off campus programs)

Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student. If the student has received federal student aid funds, the student may be entitled to a refund of monies not paid from federal student financial aid program funds. A withdrawal may be initiated by a student's written notice or by the student's academics or conduct, including but not necessarily limited to a student's lack of attendance. Refund policy is applied to all terminations for any reason, by either party, including student decision, course or program cancellation or school closure.

Student Tuition Recovery Fund (STRF):

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market, Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

07/01/2022 current STRF assessment fee is \$2.50 per \$1000 of total school charges.

Rounded up/down. This student fee is applied to your contract and will be paid to the State agency by the school on your behalf.

attendance policy

Student time: Students will have their hours recorded by clocking in daily with electronic scanning. All students must clock in and out for the day including lunch breaks. Students will receive credit for any task, operations, services, test and projects completed after each action is verified by the instructor.

Student must apply effort while in school. Your clock hours are credited when you clock in (but no sooner than 8:20 am). You can only attend according to your regular schedule on your contract. Permission to stay late may be given if you are still working on a customer.

Absences:

10% grace period of time has been added to a student Enrollment Agreement for any absences or tardiness. Absences must be called in daily to the Front Desk. A leave of Absence may be requested if out for more than a week (please see LOA policy). If a student is absent more than their allowed 10% of time they will be charged “overage” charges based on their hourly rate and the hours they have missed past their allowed 10% of time. Student will be automatically withdrawn on the 14th day of absence if an approved leave of absence is not on file.

Make Up Work: Any missed course work or tests must be made up during regular school hours according to Instructor syllabus.

Cosmetology students that miss more than 3 Sassoon haircutting days may need to stay in the freshman room until the classes that are missed or that section can be re taught in the freshman cycle.

Tardiness: All tardiness will be closely monitored; Morning student’s theory begins promptly at 8:30am. You are expected to be here on time. Our doors open at 8:00am so arrive early, you can clock in at 8:20 am. Students later than 8:37am cannot clock in until the following day.

If a student needs to leave early, they must get permission from their instructor. Clocked hours lost due to leaving early will be counted toward 10% of allowed absences.

Grace Period

All students receive a 10% of their enrolled hours (grace period of time) to miss or be absent from school for whatever reason. This is built into the student’s contract as a “contract date” The grace period gives the student adequate time to complete school. This total time is considered “normal time” to graduate.

Students must graduate by the “contract date” or they will incur additional charges due to excessive absences. The holidays that we are close are excused and do not count toward your 10% allowed absence.

Make Up Time-If you are absent you can make up the hours within the same month of the absence only.

Make-up time may be granted but must be approved by administration/Financial aid office based on exact hours missed that month. Make up hours cannot go over max hours for the week and must not affect Title IV fund disbursements. It is best to never miss more than the 10% allowed absence in each month.

Tuition Overage/Extra Institutional charges: Students that miss more than 10% of their enrollment time and have not graduated (exhausted allowed absences) by their final “contract date” on the enrollment agreement will be charged at an hourly rate for each hour they still need to graduate after the contract date. Please refer to the CAofB Tuition & Fee schedule for current hourly rate. Make up hours can be arranged with permission from the Admin/Financial aid office providing the hours do not go over our max schedule and will not affect Title IV aid disbursements. Title IV Federal Financial Aid cannot be used to pay for overage charges. All charges must be paid prior to graduating. Adjustments to the contract date can be made with an approved schedule change or Leave of Absence. Overage charges will be posted when student signs the contract addendum or on graduation day. Overage charges must be paid by graduation. Charges are cancelled/refunded if a student withdraws.

NOTE: Approximately 4% of our graduates have excessive absences missing more than the allowed 10% of their enrollment time and don’t make up the time. This will incur overtime charges (\$100-\$900 on average) in addition to the above standard school prices. Students with good attendance never incur additional charges.

leave of absence policy (LOA)

Students may request an extended period of time off of school from the Administration/ Financial Aid officials only for emergencies or issues such as (but not limited to) illness, family medical, death in the family, childcare, work related issues or court. Any other emergency will need the Directors approval. Documentation may be required. A student cannot take a leave of absence for vacation. The student must follow the institution's policy in requesting a Leave of Absence. There are no additional institutional charges as a result of a LOA.

The school must have a reasonable expectation that the student will return from the Leave of Absence.

1. A request for a Leave of Absence must be must be applied for in writing in advance of starting the LOA and include the student's reason for the request and include the student's signature.
2. If for unforeseen circumstances or an accident happens that prevents a student from being able to fill out the LOA paperwork prior to taking a LOA than CAofB may grant approval if the student emails or calls and talks to the office directly. The school official will start the paperwork and document the reason for the LOA and the school's decision. The beginning date of the LOA determined by CAofB to be the first date the student was unable to attend the institute due to the emergency. If approved, the school will collect the student signed request at a later date request when they return.
3. Minimum of one week long (school week as per the student's schedule)
4. 2 leave of absences during the student's enrollment may be approved by the Financial Aid officer or administrator if the student is not receiving Title IV funds.
5. A third or more Leave of Absence may be approved by the Director only and may need additional documentation.
6. All Leave of Absences combined may not exceed 90 calendar days per enrollment.
7. A student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at the time. The student will not accrue absences while on a LOA and will have their contract date extended by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by the student and the school official.
8. A student will not be withdrawn while on an approved LOA.
9. Student's will return from a LOA with the same grades and progress status at the time of leaving.
10. Title IV student loans will not be dispersed while a student is on a LOA.
11. Students will be withdrawn if the student takes an unapproved Leave of Absence (after 14 days of non-attendance) or does not return to school by the expiration (scheduled return date) of an approved LOA. The withdraw date for the purpose of calculating a refund is always the last day of attendance. Student loan grace periods will revert to the last day of attendance.

satisfactory academic & attendance progress policy (SAAP)

This policy is printed in this school catalog to ensure that all students receive a copy prior to enrolling. It is required that all students maintain Satisfactory Academic and Attendance (SAAP) regardless of enrollment status or financial aid programs the student is receiving.

Quantitative (Attendance) and Qualitative (academic performance) are evaluated on a cumulative basis at the designated evaluation periods throughout the course or program of study. Students must meet both the minimum attendance and academic grade requirements to be considered as, "making 'Satisfactory Progress.'"

PART ONE-ATTENDANCE

ALL STUDENTS ARE EXPECTED TO HAVE 90% ATTENDANCE EVERY MONTH. THAT MEANS NOT MISSING MORE THAN 10% OF YOUR TIME OR NO MORE THAN 2 ABSENCES A MONTH

SATISFACTORY ATTENDANCE:

Although we would like to see students keep their attendance at 90% this may not always be possible.

You must attend a minimum 75% of your scheduled class time according to your contract (enrollment agreement) to remain eligible for Financial Aid programs and to be considered to be making Satisfactory Progress. This is way below the recommended 90% attendance but will still allow you to stay enrolled and keep receiving Federal Financial Aid. You will just be charged for additional tuition for all absences over 10%.

Please understand that your contract date and meeting SAAP are two different criteria. A student can be maintaining SAP and still graduate beyond their contract date; thus, owing additional tuition to the Career Academy of Beauty.

Example:

SCHEDULE HOURS (per month)

Full-Time 140 hours

Part-Time 120 hours

Part-Time 80 hours

MINIMUM 75% ATTENDANCE (Must have)

105 Hours a month minimum

90 Hours a month minimum

60 Hours a month minimum

Attendance evaluations are performed on a cumulative basis based on contracted schedule.

PART TWO - ACADEMICS

The student must maintain a minimum 'C' average grade of 75% in order to be maintaining Satisfactory Academic Progress. This grade is an accumulated average of all practical and written test scores up to date of the scheduled evaluation. Grade Scale is as follows;

A- Excellent ----Theory and Practical grades averaged --95-100%

B- Good -----Theory and Practical grades averaged --86- 94%

C- Average -----Theory and Practical grades averaged --75- 85%

F- Failing- -----Theory and Practical grades averaged -- 0- 74% (Unsatisfactory Progress)

SAP EVALUATIONS: Student's academic and attendance is monitored to assure the student is maintaining Satisfactory Progress. All students will be evaluated to make sure that minimum grades and attendance is being met based on payment periods. The academic year is defined as 900 hours or 26 weeks. You will be evaluated within 7 business days of when you are scheduled to reach the following hours

Course	1st period	2nd period	3rd Period	Academic years
	Hours	Hours	Hours	
Cosmetology	450 (13 weeks)	900 (13 weeks)	1000 (3 weeks)	1.11
Esthetician	300 (9 weeks)	600 (8 weeks)		.66
Manicuring	200 (6 weeks)	400 (5 weeks)		.45
Teacher Training	300 (9 weeks)	600 (8 weeks)		.66
Barbering	450 (13 weeks)	900 (13 weeks)	1000 (3 weeks).	1.11
Cosmo/Barber	450 (13 weeks)	900 (13 weeks)	1200 (9 weeks)	1.33

Transfer students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Students that meet the minimum requirements for SAP are considered to be making Satisfactory Progress until the next evaluation period. Evaluation results are available for review at any time. A copy of the results will be provided to the student through their student portal. Students will also be evaluated upon completing their hours to determine if all test, grades, practical operations and graduation requirements are met.

WARNING PERIOD: Students who fail to meet SAP standards (due to either lack of attendance and/or low grades) during a given period will be placed on a 'SAP WARNING status' and considered to be making satisfactory progress while during the warning period. Financial Aid students will still remain eligible to receive financial aid during the warning period but must improve their attendance and/or grades during this period. If at the end of the WARNING period, the student has still not met both the attendance and academic requirements, he/she will be placed on Unsatisfactory Progress and will be deemed ineligible to receive Title IV funds.

UNSATISFACTORY PROGRESS: Students who do not improve to minimum SAP standards of both grades and attendance during the warning period will be placed on Unsatisfactory Progress and will lose eligibility for Title IV, HEA program funds (grants & loans) for next payment period. If the student is allowed to continue school, the student is responsible for paying the unpaid portion of tuition and fees and any expected tuition overage of contract fees. If payment arrangements cannot be met then the student will be withdrawn.

REINSTATMENT OF AID: Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or Unsatisfactory Progress period.

Non-Credit, Remedial courses, Repetitions-Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Interruptions, course incompletes, withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Maximum Time Frame for Completion: The Maximum time (which does not exceed 133% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below

COURSE: SCHEDULED:		MAXIMUM TIME ALLOWED:			MAX HOURS
		20 hours/week	30 hours/week	35 hours/week	
COSMETOLOGY	1000 hours	66 ½ wks max	44 ½ wks max	38 wks max	1330
ESTHETICIAN	600 hours				
Teacher Training	600 hours	40 wks max	26½ wks max	22 ¾ wks max	798
MANICURING	400 hours	26 ½ wks max	17½ wks max	15 ½ wks max	532
BARBERING	1000 hours	66 ½ wks max	44 ½ wks max	38 wks max	1330
COSMO/BARBER	1200 hours	79 ¾ wks max	53 ¼ wks max	45 ½ wks max	1596

Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

Transfer hours: That have been accepted are counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at CAofB.

Reentry: Students re-enrollment is under the discretion of the Director of CAofB. CAofB will consider accepting prior hours depending on how long a student has been out of school. Partial credit may be given if hours are older than one year old.

Valuation and Grading Procedures

Practical Grading

Freshman: As practical classes are completed, they are recorded on a 'freshman check off list'.

Students must complete all required subjects and pass a practical exam with a 75% or higher in order to be promoted to the second phase of their education (salon clinic floor).

If a student fails to complete subjects or exams, they will be required to remain in the freshman room until they have completed and passed their practical exam. The practical exam is scored in a rubrics format and the score sheet will be reviewed with student and kept in the student academic file for later review and internal audits.

Senior: A final practical exam is required to be taken and passed with a 75% score or higher in order to graduate. This exam is also graded in a rubrics format and the score sheet shall be reviewed with student and kept in the student's academic file.

Theory Grading

Grading Scale: A- Excellent 95-100% B-Good 86-94%. C-Average 75-85%. F- Failing 0-74% 111023

Chapter Tests

All students must attend theory classes as per their contracted schedule. Written exams are given after theory subjects. Freshman Theory will coincide with the practical subjects they are studying. Senior theory will continue to finish the required subjects such as the sciences, business skills etc. (all required subjects are listed in the curriculum below and required exams are listed on the student's grade sheet. Students must pass all required exams with a 75% or higher in order to graduate. If a student has missed an exam or failed to turn in an assignment, a '0%' is given as an incomplete and entered on grade sheet. Student must make up assignments in order to receive their theory grade for that subject. If a student fails or misses a test, it must be made up before the next scheduled SAP evaluation. Students on approved leaves of absences will be excused during that evaluation period and missed tests will not go against their GPA. The school reserves the right to terminate a student for unapplied effort and/or if student continues to fail tests and not put in the effort to retake and pass the exams. Please see Instructor syllabus for information on scheduling make-ups. Students may not retake exams solely to get a higher GPA if they passed the first time.

Final Written Exam

A final written exam (online version) will consist of multiple-choice questions and must be taken and passed with a 75% grade or better in order to graduate. This final test is given after the completion and passing of all of the required chapter exams.

Evaluations

Students will have their written and practical grades evaluated by their coach. Evaluations coincide with student contracted payment period (See Satisfactory Progress Policy) During the evaluation, Instructors will discuss strengths and areas needing improvement. The student's grade point average (GPA), attendance and attitude will be reviewed with student and documented on their grade sheet. (Missed tests during a leave will be excused for that evaluation period) A copy of the evaluation/ grade sheet shall be given to the student.

If a student fails to complete subjects or exams, they will be required to remain in the freshman room until they have completed and passed their practical exam. The practical exam is scored in a rubrics format and the score sheet will be reviewed with student and kept in the student academic file for later review and internal audits.

Senior: A final practical exam is required to be taken and passed with a 75% score or higher in order to graduate. This exam is also graded in a rubrics format and the score sheet shall be reviewed with student and kept in the student's academic file.

Students on approved leaves of absences will be excused during that evaluation period and missed tests will not go against their GPA. The school reserves the right to terminate a student for unapplied effort and/or if student continues to fail tests and not put in the effort to retake and pass the exams. Please see Instructor syllabus for information on scheduling make-ups. Students may not retake exams solely to get a higher GPA if they passed the first time.

POLICY STATEMENTS:

Procedures for Reporting

Any person witnessing some form of criminal action or other emergency should report it to Campus security authority a timely manner. Reports may be made to the College's Campus Security Authorities, or CSAs. Under Federal law, the definition of CSAs includes individuals/offices designated by the College as those to whom crimes should be reported; and officials with significant responsibility for student and campus activities. If a staff member has "significant responsibility" for students and campus activities outside of the classroom, and students potentially could report a crime / incident to that staff member, then they are a CSA. CSAs are defined by function, not title. For CAofB, CSAs include the President, Director, Campus Directors, or Title IX coordinator. The CSA will investigate the incident and report it to the local Police Department if appropriate. Community members, students, educators, staff, and visitors are encouraged to report all crimes, emergencies, and safety concerns to the designated official.

Timely Warning Reports Regarding the Occurrence of *Clery Act* Crimes

A timely warning will be issued by the Director when a situation arises that in the judgment of the Academy Director constitutes an ongoing or continuing threat regarding the occurrence of *Clery Act* crimes. The warning will be issued in the following manner:

- • By notification on their student and staff portal
- • By e-mail to students and staff through their personal e-mail account
- • By text messages to the students and staff member through personal text numbers.

A timely warning will include the reported offense, the location of the reported offense, the date of the reported offense if known, a description of suspects if available, and any other information that would promote safety.

Preparing the Annual Disclosure of Crime Statistics

Each year before the Department of Education reporting website opens for registration, the Compliance officer requests the crime statistics information from the police department for the geographical jurisdictions in which the school is located. The information is compiled into the Annual Security Report Statistics section and entered appropriately into the Department's website for each school location. The report is distributed on or before October 1st each year, via the students' email, to current students and employees. Notification is given to new students during first class orientation and employees new hires before starting work. These Annual Security Reports are posted on the institution's website at <https://www.caofb.com> under consumer disclosures.

The log includes the date, time, location, incident reported, and disposition of incident and the name of the person who took the report. The report must be entered in the log within two (2) business days after it is reported to the school's official, unless that disclosure is prohibited by law or would endanger the confidentiality of the victim. Any VAWA incidents will be referred to the Title IX coordinator and the Title IX policy and procedure will be followed.

If you are the victim of a crime and do not want to pursue action through CAofB or the criminal justice system, you may still want to consider making a voluntary, confidential report. With your permission, the Title IX coordinator can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, CAofB can keep an accurate record of the number of incidents involving students, educators, staff, and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for CAofB. CAofB will provide the student or employee with written explanation of their rights.

If the complainant of such crime or offense is deceased as a result of such crime or offense, the next of kin of such complainant will be treated as the complainant.

Emergency Response and Evacuation Procedures

CAofB has established procedures to immediately notify the school community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on a campus. These procedures provide for rapid notice to local law enforcement and administration to evaluate and confirm an emergency or dangerous situation and if confirmed, for the Director to determine the appropriate campus to be notified and the content of the notification.

CAofB will, without delay, and taking into account the safety of the community, determine the content of emergency/dangerous situation notifications and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a complainant or to contain, respond to, or otherwise mitigate the emergency.

Evacuation should take place if it is determined that it is safer outside than inside the building (fire, explosion, intruder) and staff, students and visitors can safely reach the evacuation location without danger.

Fire alarm systems are present and active in all campus facilities. In the event of an emergency and/or fire alarm, occupants must evacuate from the building. Reviewed and practiced the building evacuation procedures prior to an evacuation.

1. Staff member will instruct students and guest to exit the building using designated emergency exits.

2. Stop working as soon as it is safe to do so. Do not stop to gather personal belongings, such as glasses, keys and purse or handbags.
3. Use secondary route if the primary route is blocked or hazardous.
4. Assist any other student or client they may need help.
5. Use the nearest door with an EXIT sign to leave the building. Proceed to your designated assembly area, report for a head count and stay in the area until you receive direction from emergency responders or authorized staff.

7. All staff and students must check in with their coach or designated official, any missing persons must be reported.
8. The Campus Director will communicate when it is safe to re-enter the building.

Emergency Coordinator: Director Coral Trujillo- 714) 897-3010

The Director is responsible for testing the emergency response and evacuation procedures on at least an annual (calendar year) basis and for documenting such testing. Documentation for each test shall include a description of the exercise, the date, the time, and whether the test was announced or unannounced. Such testing may include a review of procedures by the Director.

CAofB will communicate with local law enforcement officers, meetings with responsible persons to review and walk-through procedures, and discuss safety tips.

Lockdown Procedure. Lockdown is the initial physical response to provide a time barrier during an active shooter/intruder event. Lockdown is not a stand-alone defensive strategy. When securing in place, this procedure should involve barricading the door and readying a plan of evacuation or counter tactics should the need arise.

The Campus Director will make an announcement that CAofB is experiencing an emergency situation and that it is now under lockdown. The Campus Director will designate staff to call 9-1-1, identify the name and address of the school, describe the emergency, state the school is locking down, and provide intruder description and weapon(s) if known. The Campus Director will instruct staff to stay on the phone to provide updates and additional information.

CAofB team member responsibilities:

1. Clear the hallway and bathrooms by your room, moving everyone into the classroom.
2. Lock your doors if possible.
3. Move any large objects in front of the door to barricade door. All moveable items such as chairs should be used as well.
4. Take attendance and be prepared to notify the CAofB Director or local law enforcement of missing students or additional students, staff or guests sheltered in your classroom.
5. Do not place students in one location within the room. In the event that entry is gained by a shooter or intruder, students should consider exiting by running past the shooter/intruder. • Staff and students may utilize methods to distract the shooter/intruder's ability to accurately shoot or cause harm, such as loud noises or aiming and throwing objects at the shooter/intruder's face or person.
6. Allow no one outside of the classroom until the CAofB Director or local law enforcement gives the "All Clear" signal unless a life-threatening situation exists and a means to safe exit is available (through a window or other safe passage).
7. If students and staff personnel are outside of the school building at the time of a lockdown, staff personnel will move students to the designated off-site assembly location.

Shelter-In-Place Procedure. The shelter-in-place procedure provides a refuge for students, staff and the public inside the school building during an emergency. Shelters are located in areas of the building that maximize the safety of occupants. Shelter-in-place is used when evacuation would place people at risk. Shelters may change depending on the emergency.

The CAofB Director will announce that the school is experiencing an emergency situation and needs to implement shelter-in-place procedures. Students, guests and staff will be directed to move to the designated shelter locations in the school. All students, guests and staff outside will be directed to immediately move to an inside room.

The CAofB Director will designate staff to monitor radio, Internet, and other media for information on incident conditions that caused the shelter-in-place. The CAofB Director will contact and consult with public safety officials as appropriate, and be prepared to announce additional procedures due to changing conditions of the incident, or to announce an “All Clear.”

CAofB team member responsibilities:

1. Move students into designated safe areas such as inside rooms with no windows, bathrooms, utility closets or hallways without large windows or doors.
2. Close classroom doors when leaving.
3. Have everyone kneel down and be ready to cover their heads to protect from debris, if appropriate.
4. All persons must remain in the shelter until notified by the school Director or public safety official that it is safe to exit.

Fire Response Procedure. The College has a policy and procedures governing fire drills and conducts fire drills as required by law. All staff are trained on how to respond in the event of a fire.

Any staff discovering fire or smoke will report the fire to the school Director, or call 911 if conditions require and/or injured are in need of medical assistance. Staff, students and visitors will immediately evacuate the building using prescribed routes or alternate routes to the assembly areas.

No one may re-enter building(s) until it is declared safe by the fire department.

Once the fire department arrives, it is critical to follow the instructions of, and cooperate with, the fire department personnel who have jurisdiction at the scene.

The school Director will call or direct staff to call 911 to confirm the fire situation, identify the school's name and location, provide exact location of the fire or smoke, if any staff or students are injured, and state the building is being evacuated. The Director will ensure that staff, students and visitors immediately evacuate the building using prescribed routes or alternate routes due to building debris to the assembly areas. Assembly areas may need to be relocated because of the building collapse or unsafe areas from the fire. The Director will designate staff to obtain student roll from instructors and identify any missing students.

The Campus Director will not allow staff, students or guests to return to the building until the fire department with jurisdiction over the scene has determined that it is safe to do so and given the “All Clear.”

CAofB staff member responsibilities:

1. Take the class roster and first-aid kit and any other supplies or resources relevant to the incident and lead students as quickly and quietly as possible out of the building to the designated gathering location.
2. Use alternate escape routes if the regular route is blocked or there is a safety hazard.
3. Assist or designate others to assist students with functional needs.
4. Close the classroom door and turn out the lights upon exiting and confirm all students and personnel are out of the classroom.
5. Take attendance at the gathering location. Report any missing students or staff members and/or any injuries to the Director or the emergency response personnel at the scene.
6. Keep class together and wait for further instructions.
7. Remain in safe area until the "All Clear" signal has been issued.
8. No one may re-enter building(s) until it is declared safe by the fire department.

Medical Emergency Procedure. These procedures are in place to assist staff, students and guests in the event of a medical emergency.

The CAofB staff should:

1. Quickly assess the situation. Make sure the situation is safe for you to approach (i.e., live electric wires, gas leak, building damage, etc.).
2. Immediately notify the school Director.
3. Assess the seriousness of the injury or illness.
4. Call or have someone call 9-1-1 immediately. Be prepared to provide the school name and address, exact location (floor, room number); describe illness or type of injury; and age of the victim(s).
5. Protect yourself against contact with body fluids (blood borne pathogens).
6. Administer appropriate first-aid according to your level of training until help arrives.
7. Comfort and reassure the injured person. Do Not Move an injured person unless the scene is unsafe.

The school Director will direct staff to call 9-1-1, if necessary, and provide appropriate information to emergency responders. The school Director will send school staff with first responder/ first-aid training to the scene if this has not already occurred. The Campus Director will assign a staff member to meet emergency medical service responders and lead them to the injured person, and assign a staff member to remain with the injured person if they are transported to the hospital. If the injured person is a member of staff personnel or a student, the Campus Director will notify parent, guardian, or other appropriate family member of the situation, include type of injury or illness, medical care given and location where the injured person has been transported.

The campus Director will ensure that student or staff medical information from administrative records is sent to the hospital. The Director will develop and maintain written documentation of the incident.

Fire Prevention and Workplace Hazards

It is the responsibility of all faculty and staff to alert the school Director of any and all conditions that could potentially pose a fire hazard or other unsafe condition in or around the building. No smoking is permitted in the building and flammable chemicals are confined and stored in a locked area, meeting all OSHA requirements. Good housekeeping practices will be the responsibility of all faculty, staff and students. Waste materials are to be discarded in their proper places and all aisles, doorways, hallways and exit doors are to be kept clear at all times.

Sexual Harassment Title IX Policies & Procedures

CAofB is committed to providing a working and educational environment for all students, faculty and staff that is free from sex discrimination, including sexual misconduct. Every member of the school community should be aware that CAofB is strongly opposed to sexual misconduct, and that such behavior is prohibited by state and federal laws.

CAofB's Sexual Harassment / Title IX policy is part of this Annual Security Report. It describes the schools programs to prevent sexual misconduct, and the procedures that CAofB will follow once an incident of sexual misconduct has been reported. This Policy is disseminated widely to the CAofB community through publications, the school's website, new employee orientations, student orientations, and other appropriate channels of communication. Copies of the Policy can be obtained from the school Director, or downloading from the school's website at www.caofb.com. CAofB provides training to key staff members to enable the staff to handle any allegations of sexual misconduct promptly and effectively. CAofB will respond quickly to all reports of sexual harassment, and will take appropriate action to prevent, to correct, and if necessary, to discipline behavior that violates this policy.

The school's Policy governs sexual misconduct involving students that occurs on school property or in connection with any CAofB-sponsored program or event. This Policy applies to all students, employees, and third parties conducting business with CAofB, regardless of the person's gender, gender identity, sexual orientation, age, race, nationality, class status, ability, religion or other protected status. CAofB encourages victims of sexual violence to talk to somebody about what happened – so victims can get the support they need, and so the College can respond appropriately. As further described in the Policy, CAofB will seek to respect a victim's request for confidentiality to the extent possible, while remaining ever mindful of the victim's well-being.

Sexual Offender Registration

In accordance to the Campus Sex Crimes Prevention Act of 2000, the Clery Act, and the Family Rights and Privacy Act of 1974, the College is providing information for where students and employees may obtain information regarding registered sex offenders. The Campus Sex Crimes Prevention Act requires institutions of higher education to provide a statement advising the campus community where law enforcement information provided by a state concerning registered sex offenders can be obtained. <http://maganslaw.ca.gov>

Restraining Orders - Any person who obtains an order of protection is encouraged to provide a copy to Coral Trujillo, Title IX coordinator at 12471 Valley View St, Garden Grove, Ca, 92845. Coral@caofb.com or 714) 8907-3010 x3. CAofB staff will be made aware of the "no contact" or restraining order so they are aware to look out for that person. 911 will be called if necessary.

Missing student policy: If a student does not attend school for 3 days without contacting the school, then the school will attempt to make contact with them or their families. CAofB will advise the direct family to file a missing person report with the police department.

Contracts with police department (MOU): The institution does not maintain any special relationship with State and local police and do not have an agreement with those police agencies (such as written memoranda of understanding) to investigate alleged crimes.

Key Definitions

Sexual Harassment¹: Conduct on the basis of sex that satisfies one or more of the following:

1. An employee of CAofB conditioning educational benefits or participation on an individual's participation in unwelcome sexual conduct (i.e. quid pro quo);
2. Unwelcome conduct, determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to CAofB's Education Program or Activity; or
3. Sexual Assault (as defined in the Clery Act), or Dating Violence, Domestic Violence or Stalking as defined in the Violence Against Women Act (VAWA) (collectively referred to as "Sexual Violence")*:
 - **Sexual Assault:** As defined in 20 U.S.C. 1092(f)(6)(A)(v), means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation². As defined in 20 U.S.C. 12291(a)(11), sexual assault includes any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.
 - **Dating Violence:** As defined in 34 U.S.C. 12291(a)(11), means violence committed by a person (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship; the type of relationship; and, the frequency of interaction between the persons involved in the relationship.

¹ California Education Code Section 66262.5 states that "Sexual Harassment" has the same meaning as defined in Section 212.5 and includes sexual battery, sexual violence and sexual exploitation. California Education Code Section 212.5 defines sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of the following conditions: (a) submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, academic status, or progress; (b) submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual; (c) the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment; and (d) submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the institution.

² The FBI's Uniform Crime Reporting Program (FBI UCR) includes forcible and nonforcible sex offenses such as rape, fondling, and statutory rape, which contain elements of "without the consent of the victim."

- **Stalking:** As defined in 34 U.S.C. 12291(a)(36), means engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress³.

* Please note: In accordance with the Violence Against Women Reauthorization Act ("VAWA"), state definitions for Sexual Assault, Dating Violence, Domestic Violence, Stalking and Consent are contained in CAofB's Annual Safety and Security Report ("ASR"). VAWA crimes are reported in the ASR based on the definitions above.

Affirmative Consent: In accordance with California Education Code Section 67386, means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that the person has the affirmative consent of others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

Complainant: An individual who is alleged to be the victim of conduct that could constitute Sexual Harassment, regardless of whether a Formal Complaint has been filed. A Complainant must be the alleged victim unless a parent or legal guardian has a legal right to act on the alleged victim's behalf.

Respondent: An individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Parties: include the Complainant(s) and Respondents(s) collectively.

Advisor: An individual chosen by a party to accompany the party to meetings related to the resolution process, to advise the party on that process, and to conduct cross-examination for the party at any hearing, if any. If a party does not have an Advisor at the hearing portion of the Grievance Process, CAofB will appoint an advisor.

Formal Complaint: A document (hardcopy or electronic) filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that CAofB investigate. A Formal Complaint must be signed (physical or digital) by the Complainant, the Title IX Coordinator, or otherwise indicate that the Complainant is the person filing the Formal Complaint. At the time of filing a Formal Complaint, the Complainant must be participating in or attempting to participate in CAofB's Education Program or Activity with which the Formal Complaint is filed.

Program or Activity: On or off-campus locations, events, or circumstances over which CAofB exercises substantial control over both the Respondent and the context in which the Sexual Harassment occurred.

³ This includes stalking that occurs online or through messaging platforms, commonly known as cyber-stalking, when it occurs in the school's education program or activity.

Mandatory Reporter: Designated CAofB employees who must share knowledge, notice, and/or reports of Sexual Harassment, discrimination, and/or retaliation with the Title IX Coordinator.

Discretionary Reporter: Designated CAofB employees who may, with the Complainant's consent, report instances to the Title IX Coordinator.

Clery Act: Meaning the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (20 U.S.C. Section 1092(f); 34 C.F.R. Part 668.46). In accordance with the Clery Act, CAofB publishes required crime statistics and policy statements in its Annual Safety and Security Report (ASR) on or before October 1st of each year.

Clery Geography: As defined in the Clery Act, includes (A) buildings and property that are part of CAofB's campus; (B) CAofB's non-campus buildings and property; and (C) public property within or immediately adjacent to and accessible from the campus.

VAWA: Meaning the Violence Against Women Reauthorization Act

Procedure for Reporting

If a student believes they have experienced or witnessed Sexual Harassment (including Sexual Violence), discrimination, or retaliation, CAofB encourages them to notify the Title IX Coordinator as soon as possible after the incident.

A report may be made to either or both the police and the Title IX Coordinator⁴. The criminal process is separate from CAofB's Grievance Process. It is CAofB's policy not to notify local law enforcement when Sexual Violence occurs unless a Complainant wishes or there is an emergency threat to health or safety. Complainants have the option to notify law enforcement directly or be assisted in doing so. If requested, CAofB will assist a victim of Sexual Violence in contacting the police. A Complainant is not required to contact the police in order to pursue CAofB's grievance process.

CAofB does not issue orders of protection. Orders of protection, restraining orders, injunctions, or similar lawful orders may be obtained through the court system and can be enforced by CAofB. Individuals who have obtained an order of protection are encouraged to provide a copy to the Title IX Coordinator as soon as possible. Although CAofB does not issue orders of protection, information on how to obtain a protective order is located in the ASR.

Reporting Considerations

In order to make informed choices, it is important to be aware of confidentiality and reporting requirements when consulting CAofB resources. Reporting to general staff members is not advise.

Report any incident to the Title IX coordinator.

Information shared with confidential resources will not be shared with CAofB (including the Title IX Coordinator) or anyone else without express, written permission of the individual seeking services unless required by law or court order.

CAofB will keep confidential the identity of the Complainant, Respondent, and witnesses, except as may be permitted by FERPA, as required by law, or as necessary to carry out the Title IX Grievance Process.

There is no time limitation on providing notice/complaints to the Title IX Coordinator. However, if the Respondent is no longer subject to CAofB's jurisdiction and/or significant time has passed, the ability to investigate, respond, and provide remedies may be more limited or impossible. Acting on notice/complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of policy) is at the discretion of the Title IX Coordinator, who may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.

Supportive Measures

The Title IX Coordinator will provide Supportive Measures as necessary. Supportive Measures are individualized services reasonably available to ensure equal educational access, protect the safety or deter prohibited conduct. Supportive Measures are available, as appropriate, to either or both the Complainant and Respondent and are non-punitive, non-disciplinary, and not unreasonably burdensome to the other party. Examples include counseling, extensions of time or other course-related adjustments, modifications to work or class schedules, campus escort services, restrictions on contact between the Parties, leave of absence, increased security and monitoring of certain areas on campus, and other similar accommodations. The Supportive Measures needed by the Complainant and/or Respondent may change over time, and the Title IX Coordinator will communicate with each party to ensure that any Supportive Measures are necessary and effective based on evolving needs.

Supportive Measures are individualized and appropriate based on the information gathered by the Title IX Coordinator. The Supportive Measures needed by the Complainant and/or Respondent may change over time, and the Title IX Coordinator will communicate with each party to ensure that any Supportive Measures are necessary and effective based on evolving needs.

Victims of Sexual Violence will also be provided with written notification about existing counseling, health and/or mental health services, victim advocacy, legal assistance, visa and immigration assistance, safety planning, timely warnings, student financial aid, and other services available to victims within the CAofB and in the community.

Once the Title IX Coordinator receives a report, the Title IX Coordinator will promptly contact the Complainant confidentially to discuss the availability of Supportive Measures (available with or without filing a Formal Complaint) and explain the process for filing a Formal Complaint and provide a copy of this policy. The Title IX Coordinator will consider the Complainant's wishes with respect to Supportive Measures.

CAofB will keep confidential the identity of the victim of Sexual Violence and any accommodations or Supportive Measures provided, to the extent that maintaining such confidentiality will not impair CAofB's ability to provide the accommodations or Supportive Measures.

Dismissal of a Formal Complaint

Dismissal of a Formal Complaint may occur under several circumstances. CAofB must dismiss a Formal Complaint if the allegations do not meet the definition of Sexual Harassment, did not occur in CAofB's Education Program or Activity, or did not occur against a person in the United States.

CAofB may dismiss a Formal Complaint if the Complainant informs the Title IX Coordinator, in writing, that he, she, or they withdraw the Formal Complaint or allegations therein; the Respondent is no longer enrolled or employed by CAofB; or if specific circumstances prevent CAofB from gathering sufficient evidence to reach a determination.

If a Formal Complaint is dismissed, the Parties will be provided written notice of the dismissal outlining the reason(s) for dismissal. A dismissal does not preclude action by CAofB under the student Code of Conduct policy (located in the Student Catalog) or employee Sexual Harassment policies (located on Eportal.CAofB.com).

Grievance Process

Investigation and adjudication of alleged misconduct is not an adversarial process between the Complainant, the Respondent and the witnesses, but rather a process for postsecondary institutions to comply with their obligations under existing law. The Complainant does not have the burden to prove, nor does the Respondent have the burden to disprove, the underlying allegation or allegations of misconduct.

CAofB utilizes a prompt, equitable, and impartial Grievance Process to evaluate Formal Complaints. Title IX personnel (Title IX Coordinator/Deputy, Investigators, Decision-Makers, and individuals who facilitate the Informal Resolution process) will be free from conflicts of interest or bias for or against Complainants or Respondents. Title IX personnel will objectively evaluate all relevant evidence and avoid credibility determinations based on a person's status as a Complainant, Respondent, or witness.

Both Parties will receive an equal opportunity to provide information, witness statements, evidence, and other information that may be necessary to fully evaluate the alleged offense. Both Parties will be afforded equitable rights and access during the Grievance Process. The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Grievance Process.

Generally, the Grievance Process consists of a Formal Complaint, investigation, Live Hearing, determination, Disciplinary Actions, Remedies, and appeal (if applicable). The Grievance Process, barring extenuating circumstances, will conclude within ninety (90) days from the date a Formal Complaint is filed.

Advisor

A party may be accompanied by an Advisor of their choice during the Grievance Process. The Parties may choose Advisors from inside or outside the CAofB community. If the Complainant or Respondent does not have an Advisor present at the Live Hearing, CAofB will select and provide an Advisor, without fee or charge, to conduct a cross-examination of witnesses on behalf of that party. A party may reject a CAofB-appointed Advisor and choose their own Advisor, but they may not proceed without an Advisor. The Complainant and Respondent may not conduct cross-examination.

Choosing an Advisor who is a witness in the Grievance Process creates the potential for bias and conflict of interest. A party that chooses an Advisor who is also a witness can anticipate that issues of potential bias will be explored by the Decision-Maker.

The Parties are expected to ask and respond to questions on their own behalf throughout the investigation phase of the Grievance Process. Advisors are expected to advise without disrupting proceedings. For example, advisors should not address CAofB officials in a meeting or interview unless invited to. An Advisor may not make a presentation during any meeting or proceeding and may not speak on behalf of the party to the investigation or other Decision-Maker except during a Live Hearing, during cross-examination. If an

Advisor is disruptive or otherwise fails to respect the limits of the Advisor role, the meeting or interview may be ended.

Advisors are expected to maintain the privacy of the records shared with them. These records may not be shared with third Parties, disclosed publicly, or used for purposes not explicitly authorized by CAofB. CAofB may seek to restrict the role of any Advisor who does not respect the sensitive nature of the process or who fails to abide by CAofB's privacy expectations.

Investigation of Formal Complaints

CAofB will investigate Sexual Harassment (including Sexual Violence) allegations in a Formal Complaint filed by a Complainant or signed by the Title IX Coordinator. The Title IX Coordinator will respect the Complainant's wishes as to whether CAofB investigates an allegation of Sexual Harassment unless the Title IX Coordinator determines that not investigating would be deliberately indifferent or harmful to the CAofB community. CAofB may consolidate Formal Complaints where the allegations arise out of the same facts.

Upon receipt of a Formal Complaint, a written notice will be sent to the Parties. The Notice of Investigation will include details of the allegations (including identities of the Parties involved, specific section of the policy alleged to have been violated, the conduct that would be considered Sexual Harassment, the date of the incident(s), and the location of the incident(s)); a statement that the Respondent is presumed to be not responsible for the alleged conduct until a determination is made according to CAofB's Grievance Process; a statement that the Parties may have an Advisor of their choice; and a reminder of the expectation of truthfulness including consequences for submitting false information. The Parties will also be provided with separate written notice of any investigative interview, meeting, or hearing. Interview/meeting notices will include the date, time, location, participants, and purpose of the investigative interview or meeting.

Formal Complaints involving employees will also be referred to Human Resources and simultaneously evaluated under employee conduct policies and procedures.

During the investigation, the Title IX Coordinator or his/her designee ("Investigator") will conduct interviews and gather evidence. No unauthorized audio or video recording of any kind is permitted during investigation interviews/meetings. The Parties will be provided an equal opportunity to present facts and expert witnesses or other evidence. The Parties (and their Advisors) will be provided with evidence directly related to the allegations, in electronic format or hardcopy, with at least 10 days for the Parties to inspect, review, and respond to the evidence. The Investigator will consider the responses received from the Parties before issuing the investigative report.

Once the investigation has concluded, the Investigator will draft an investigative report (hardcopy or electronic) that fairly summarizes relevant evidence. The investigative report will be sent to the Parties (and their Advisors) at least ten (10) days prior to a Live Hearing. The Parties may provide a written response to the investigative report.

Informal Resolution

If the Complainant and Respondent voluntarily consent in writing, Formal Complaints can be resolved through Informal Resolution, such as mediation. The Title IX Coordinator will facilitate an appropriate Informal Resolution process depending on the nature of the allegations, the Parties involved, and the overall circumstances. Informal Resolution will be conducted by a facilitator, who may or may not be the Title IX Coordinator. It is not necessary to pursue Informal Resolution first in order to pursue CAofB's Grievance Process. At any time prior to agreeing to a resolution, any party has the right to withdraw from the Informal Resolution process and resume the Grievance Process. Informal Resolution is unavailable to resolve allegations that an employee sexually harassed a student.

Live Hearing

If a Formal Complaint is not or cannot be resolved through Informal Resolution, CAofB will conduct a Live Hearing. Live Hearings are facilitated by a designated Decision-Maker, separate from the Title IX Coordinator or Investigator. The Decision-Maker will be selected by the Title IX Coordinator.

Cross-examination during a Live Hearing will be conducted directly, orally, and in real-time by the party's Advisor and not by a party personally. The Decision-Maker will permit each party's Advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Only relevant cross-examination and other questions may be asked of a party or witness. Before a Complainant, Respondent, or witness answers a cross-examination or other question, the Decision-Maker must first determine whether the question is relevant and explain to the party's Advisor asking cross-examination questions any decision to exclude a question as not relevant.

Rape shield protections are applied to Complainants, deeming irrelevant questions and evidence about a Complainant's prior sexual behavior unless offered to prove that someone other than the Respondent committed the alleged Sexual Harassment or offered to prove consent.

The Decision-Maker may consider statements made by a party or witness even if the party or witness does not submit to cross-examination at the Live Hearing. A Decision-Maker may consider emails or text exchanges between the parties leading up to the alleged sexual harassment, police reports, Sexual Assault Nurse Examiner documents, medical reports, and other documents. All statements must be relevant to be considered.

The Decision-Maker will not draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the Live Hearing or refusal to answer cross-examination or other questions.

At the request of either party, CAofB will provide for the entire Live Hearing (including cross-examination) to occur with the Parties located in separate rooms with technology enabling the Parties to see and hear each other. Live Hearings may be conducted with all Parties physically present in the same geographic location or, at CAofB's discretion, any or all Parties, witnesses, and other participants may appear at the Live Hearing virtually. An audio or audiovisual recording, or transcript, of any Live Hearing, will be created and maintained for seven (7) years.

During the Grievance Process, CAofB will not use, rely on or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege. CAofB will not access or use a party's medical, psychological, and similar treatment records unless the party provides voluntary, written consent.

Standard of Evidence

For all Formal Complaints of Sexual Harassment (including where employees are Respondents), CAofB utilizes the preponderance of the evidence standard, which means "more likely than not."

Disciplinary Actions and Remedies

Disciplinary Actions against the Respondent will not be imposed before completion of CAofB's Grievance Process. Following a determination of responsibility, appropriate corrective action will be taken, and CAofB will take steps to prevent recurrence. Disciplinary Actions taken will be determined on a case-by-case basis. Factors considered when determining Disciplinary Action may include but are not limited to Nature, the severity of, and circumstances surrounding the violations(s); Respondent's disciplinary history; Previous allegations or allegations involving similar conduct; Need for disciplinary action to bring an end/prevent future reoccurrence of the violation; Need for disciplinary action to remedy the effects on the Complainant and CAofB community; Impact on the parties; Any other information deemed relevant by the Decision-Maker.

Disciplinary Action for student-related claims may include but are not limited to, additional training, a restriction on contact, warning, suspension, or termination. Disciplinary Action will be placed in a student's permanent academic file. Any employee determined by CAofB to be responsible for an act of Sexual Harassment will be subject to appropriate Disciplinary Action, up to and including termination. Disciplinary Action will be placed in an employee's permanent personnel file. Employees are also subject to processes and discipline determined by the Human Resources Department. The HR process is separate and apart from the Title IX process and not constrained by the outcome of the Title IX process.

Failure to abide by imposed Disciplinary Actions (whether by refusal, neglect, or any other reason), may result in additional Disciplinary Action, including suspension or termination.

Remedies are provided to a Complainant whenever a Respondent is found responsible. Remedies are implemented by the Title IX Coordinator and may be disciplinary and punitive. Student Remedies are designed to maintain the Complainant's equal access to education. Remedies will be determined on a case-by-case basis and may include supportive measures.

False Allegations and Evidence

Deliberately false and/or malicious accusations under this policy, as opposed to allegations made in good faith (even if erroneous), are a serious offense and will be subject to appropriate disciplinary action.

Additionally, witnesses and Parties knowingly providing false evidence, tampering with or destroying evidence after being directed to preserve such evidence, or deliberately misleading an official conducting an investigation can be subject to discipline under CAofB's Code of Conduct policies.

Written Determination

The Decision-Maker will issue a Written Determination regarding responsibility with findings of fact, conclusions about whether the alleged conduct occurred, the rationale for the result as to each allegation, a description of the procedure from Formal Complaint through the Live Hearing, Disciplinary Actions imposed on the Respondent and whether Remedies will be provided to the Complainant. The determination will be sent simultaneously to the Parties along with information on how to file an appeal.

Appeal

Both Parties have the right to appeal a determination regarding responsibility, CAofB's dismissal of a Formal Complaint, or any allegations therein if: (1) procedural irregularity affected the outcome of the matter; (2) there is newly discovered evidence that could affect the outcome of the matter; and/or (3) Title IX personnel had a conflict of interest or bias, that affected the outcome of the matter.

An appeal must be submitted in writing to the Title IX Coordinator within ten (10) days of the delivery of the Written Determination.

Retaliation Prohibited

Both Title IX and the Clery Act provide protections for individuals who bring allegations of non-compliance with the Clery Act and/or Title IX to the attention of appropriate campus administrators. Retaliation (including intimidation, threats, coercion or discrimination) against an individual for raising an allegation of Sexual Harassment, for cooperating in the Grievance Process is prohibited.

CAofB does not retaliate against those who raise concerns of non-compliance. Any concerns should be brought to the immediate attention of the Title IX Coordinator.

Training

CAofB ensures that its Title IX personnel have adequate training. The Title IX Coordinator and Investigators are trained on the definition of Sexual Harassment, the scope of CAofB's Education Program or Activity, how to conduct an investigation, CAofB's Grievance Process (including Live Hearings, appeals,

and Informal Resolution processes, as applicable) and how to serve impartially by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Decision-Makers are trained on the definition of Sexual Harassment, the Live Hearing process, technology to be used in Live Hearings, and issues of relevance (including how to apply the rape shield protections provided for Complainants). Informal Resolution facilitators are trained in the Informal Resolution process.

Materials used to train Title IX personnel are posted on CAofB's website at <https://CAofB.com>

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act ("Clery Act") and the Violence Against Women Reauthorization Act ("VAWA"), CAofB will provide primary prevention and awareness programs to prevent Sexual Assault, Dating Violence, Domestic Violence, and Stalking to incoming students and new employees and generally every year thereafter.

Bias/Conflict of Interest

To raise any concern involving bias or conflict of interest by the Title IX Coordinator, contact Dayna Pattison/ Director of Education at dayna@caofb.com, 714) 897-3010. Concerns of bias or potential conflict of interest by any other Title IX personnel should be raised with the Title IX Coordinator.

Clery Act Reporting

CAofB administrators will issue timely warnings for incidents reported that pose a substantial threat of bodily harm or danger to other members of the campus community. CAofB will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. CAofB reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, or a change in student status.

Personally identifiable information for victims of Sexual Assault, Dating Violence, Domestic Violence, and Stalking will not be included in any publicly available recordkeeping, including Clery Act Reporting and disclosures such as the ASR.

Emergency Removal

CAofB can remove a Respondent entirely or partially from the Education Program or Activities on an emergency basis when an individualized safety and risk analysis has determined that an immediate threat to the physical safety of any student or other individual justifies removal. The risk analysis is performed by the Title IX Coordinator in conjunction with the one or both of the current Directors, Dayna Pattison or Cari Eisele.

In cases in which an emergency removal is imposed, the Respondent will be given notice of the action and the option to request to meet with the Title IX Coordinator prior to such action/removal being imposed, or as soon thereafter as reasonably possible, to show cause why the action/removal should not be implemented or should be modified. This meeting is not a hearing on the merits of the allegation(s) but rather is an administrative process intended to determine solely whether the emergency removal is appropriate. When this meeting is not requested in a timely manner, objections to the emergency removal will be deemed waived.

The Title IX Coordinator has sole discretion under this policy to implement or stay an emergency removal and to determine the conditions and duration. Violation of an emergency removal under this policy will be grounds for discipline, which may include expulsion or termination.

CAofB will implement the least restrictive emergency actions possible in light of the circumstances and safety concerns. As determined by the Title IX Coordinator, these actions could include but are not limited to temporarily re-assigning an employee, restricting a student's or employee's access to the campus, allowing a student to withdraw or take grades of incomplete without financial penalty, and authorizing an administrative leave.

Additional Information

Students and employees may contact the Title IX Coordinator with any questions related to this policy. In addition, the U.S. Department of Education Office for Civil Rights (“OCR”) investigates complaints of unlawful harassment of students in educational programs or activities. This agency may serve as a neutral fact finder and will attempt to facilitate the voluntary resolution of disputes with the Parties. For more information, visit the OCR website at <http://www.hhs.gov/ocr/>. To the extent that an employee or contract worker is not satisfied with CAofB’s handling of a complaint, he or she may also contact the appropriate state or federal enforcement agency for legal relief.

Recordkeeping and Privacy

CAofB’s records of investigations and resolutions are maintained in privacy for seven years. Information is shared internally between administrators who need to know in order to complete their job duties. When information must be shared to permit the investigation to move forward, the Parties will be informed. Privacy of the records specific to the investigation is maintained in accordance with state law and the federal FERPA statute. Any public release of information needed to comply with the timely warning provisions of the Clery Act will not include the names of Complainant or information that could easily lead to a Complainant’s identification. Irrespective of state law or public records access provisions, information about Complainants is maintained privately in accordance with Title IX and FERPA.

Sexual Violence- Immediate Care and Preservation of Evidence

If a student experiences Sexual Violence, some or all of these safety suggestions may guide them after an incident has occurred:

1. Go to a safe place. If there is any immediate danger, contact emergency services- call 911.
2. Consider securing immediate professional support (e.g., counseling, victim advocacy, medical services, etc.)

National Domestic Violence Hotline: 800-799-SAFE

RAINN (Rape, Abuse, and Incest National Network): (800) 656-HOPE: online hotline

<http://www.rainn.org>

Garden Grove Police Department- (714) 741-5704

3. For safety and well-being, immediate medical attention is encouraged. Further, being examined (through a forensic examination) as soon as possible, ideally within 120 hours, is important in the case of rape or Sexual Violence. Completing a forensic examination does not require someone to file a police report. To find a location near you that performs free forensic examinations, call the National Sexual Assault Hotline at (800) 656-4673. Resources are also available through the Rape Abuse & Incest National Network (RAINN); www.RAINN.org.
- To preserve evidence, it is recommended not to bathe, shower, douche, eat, drink, smoke, brush teeth, urinate, defecate, or change clothes before receiving medical attention. Even if any of these actions were taken, students are still encouraged to have prompt medical care, and evidence may still be recoverable.
 - Typically, if police are involved or will be involved, they will obtain evidence from the scene, and it is best to leave things undisturbed until their arrival. They will gather bedding, linens or unlaundered clothing, and any other pertinent items that may be used for evidence. It is best to allow police to secure items in evidence containers, but if involved in the transmission of items of evidence, such as to the hospital, secure them in a clean paper bag or clean bedsheet to avoid contamination.
 - If physical injuries, photograph or have them photographed, with a date stamp on the photo.

- Record the names of any witnesses and their contact information. This information may be helpful as proof of a crime, to obtain an order of protection, or to offer proof of a CAofB policy violation.
- Try to memorize details (e.g., physical description, names, license plate number, car description, etc.), or even better, write notes to remind you of details if time and the ability to do so.

Prevention and Education

In accordance with the Clery Act and VAWA, CAofB offers a range of campaigns, strategies, and initiatives to promote awareness, education, risk reduction, and prevention in an effort to reduce the frequency of sex or gender-based discrimination, harassment, and violence amongst members of the campus community.

CAofB offers programming to identify and prevent Sexual Assault, Dating Violence, Domestic Violence (including stranger and known offender assaults), and stalking each year. Educational programs are offered to raise awareness for all incoming students and employees and are often conducted prior to new students and during new employee orientation.

Programs and other campaigns offered throughout the year to students and employees include information regarding awareness and primary prevention (including normative messaging, environmental management, and bystander intervention), and discuss CAofB's policies. Programs also offer information on risk reduction that strives to empower individuals who experience these incidents, how to recognize warning signs, and how to avoid potential attacks, and do so without biased approaches.

Bystander engagement is encouraged through safe and positive intervention techniques and by empowering third-party intervention and prevention such as calling for help, using intervention-based apps, identifying allies, and/or creating distractions. Bystander empowerment training highlights the need for those who intervene to ensure their own safety in the intervention techniques they choose and motivates them to intervene as stakeholders in the safety of the CAofB community when others might choose to be bystanders.
